## *Who are Sabine Daniel and Greg Frankson?*

**Sabine Daniel:** Frequently compared to her idol, Oprah Winfrey, for her talents as a communicator, this graduate in the field has made her mark as a French communications officer, journalist, cultural reporter and producer of an online magazine. Sabine is also the committed researcher behind the fourth & fifth seasons of the popular Quebec wedding show *Oui, je le veux!* broadcast on Canal Vie.

**Greg Frankson:** With a reputation for delivering powerful poetry in a way that is lyrically appealing, widely accessible and unapologetically provocative in its socially conscious message, Greg's creative pursuits have taken him coast to coast in Canada, into the USA & overseas. He is also a well-respected promoter, speaker, facilitator & arts educator.

## *What do Greg and Sabine offer as an emcee team?*

Sabine and Greg bring combined skills and experience in the areas of public relations, communications, promotions, research, and broadcasting that assure your group of the highest level of professionalism in their work. As a duet they interact seamlessly and can emcee in both official languages (Greg in English and Sabine in French and English). Both are very active in their local communities and well known for their tact, dedication to their work and for delivering high quality services. Sabine and Greg can be booked as individual emcees or, for the best results, as a bilingual emceeing pair. With this dynamic duo acting as your masters of ceremonies, expect only the best!
